

## Sunday June 14th

Registration (16:00 - 16:30)

Welcome activity (16:30 - 18:30) - Robin Talks Science - YWPEU 2026 dedicated workshop

Welcome cocktail (18:30 - 21:00)

## Monday June 15th

Registration (8:00 - 9:00)

Opening ceremony (09:00 - 09:20)

Keynote I (9:20 - 10:00) - Kala Vairavamoorthy (IWA)

Keynote II (10:00 - 10:40) - Wim Audenaert (AM-Team)

Coffee (10:40-11:00)

Parallel session 1 - Emerging and advanced technologies for drinking water and wastewater treatment I

Parallel Session 6 - Water safety, remediation and disinfection

Parallel Session 12 - Urban Water Infrastructure, Stormwater Management & Nature-Based Solutions

Parallel session 2 - Emerging and advanced technologies for drinking water and wastewater treatment II

Parallel Session 8 - Smart Monitoring, Asset management & Digital Water Technologies

Parallel Session 13 - Water Reuse, Resource Recovery & Water-Energy Nexus

Lunch (13:00 - 14:00)

Workshop (14:00 - 15:30)

Career Path Workshop

ENEA, Adapting to Climate Change by Rethinking Water: The Role of Non-Conventional Resources

Dutch Water Authority, Design the water future of Europe: Looking for input for the European Knowledge Network!

Coffee with posters (Odd numbers) 15:30 - 16:15

Parallel session 3 - Micropollutants & Emerging Contaminants I

Parallel session 11 - Water Reuse, Monitoring & Participatory Water Management

Parallel Session 14 - Water Reuse, Resource Recovery & Water-Energy Nexus II

Roundtable(s) (17:15 - 17:45)

## Tuesday June 16th

Registration (8:30 -9:00)

Welcome (09:00 - 09:20)

Keynote III (9:20 - 10:00) - Veronica Manfredi (EC)

10:00 - 11:00

Session 4 Micropollutants & Emerging Contaminants II

Session 15 – From waste to carbon - biorefineries

Session 9 – Water Governance, Policy & Societal Dimensions

Coffee (11:00-11:20)

11:20 - 12:45

Session 5 - Micropollutants & Emerging Contaminants III

Session 7 – AI, Modelling & Decision Support for Water Systems

Session 17 - Biogas upgrading, biomethanation and methanotrophs

Lunch (12:45 - 13:30)

Workshop - Career path 13:30-15:00

Xylem and Scottish Water “It Takes A Network: A Digital Monitoring CoLab With Scottish Water & Xylem”

ICRA, Using Nat4Wat as a Decision-Support Tool for Nature-Based Solutions in Urban Water Management

Coffee with posters (Even numbers) 15:00- 15:45

15:45 - 16:45

Session 18 – Sustainability Assessment & Decarbonization of Water Systems

Session 16 – Innovation in anaerobic digestion and sludge management

Session 10 – Risk Assessment, Water Safety & Public Health

Keynote IV - Hajar Yagkoubi 16:45 - 17:25

Awards (17:25 - 14:45)

Closing ceremony (17:45 - 18:00)

Social dinner (19:30 - ?)

## Wednesday June 17th - Technical visits
